Rev. Dr. Robert E. H. Peeples
Hilton Head Island, South Carolina

Dear Rev. Peeples:

I understand that you are a descendant of John and Catherine McBride Peeples and am wondering if you have any data on the McBride family? They seem to have disappeared from Beaufort Dist. I have been to their partial cemetery near Varnville and often wonder what became of them. Burrell McBride was very wealthy but apparently didn't have any male descendants beyond his son William. Any data will be most happily received.

Two friends of mine, Wilmot Hiers of Allentown and Laurie Hiers of St. Louis spent a pleasant afternoon with you and yours in Estill last year. Did you ever get any more Platts information? Thank you and I look forward to your reply.

Cordially yours,
James Reddick
