Dear Mr. Peoples,

I understand that you have some new copies of the Peoples' book 1600 - 1962. Please send me a copy for my personal collection.

I am also interested in any information on Catherine M^{rs} Bried that you or anyone else may have. I understand that there is a M^{rs} Bried family Bible - Burwell M^{rs} Bried. How is he related to Catherine? Who was her father - where did they come from - and all of the other questions one may ask. Thank you for any help you could lend me.

I'm enclosing a check for \$25.00 for the book and postage if this is not sufficient please let me know.

Sincerely yours,
(Mrs.) Mildred B. Rivers, Curator
