

Savannah, Ga.

Dear Mr. Peeples:

I am sorry for the delay in answering your letter but I have been one of the many victims of the Virus, but am feeling fine now.

I appreciate very much your letter and wish it were possible to give you the desired information on the DeWitt family but it seems I am unable to find anything.

My daughter is the Registrar of Bonaventure Chapter, D.A.R. and we went through the various papers of the Chapter members, thinking maybe some of their ancestors were DeWitt's, but failed to obtain any information.

I don't remember reading Gregg's History of the Pioneers of South Carolina, but I did read Sellers Book which gave an account of the old settlers Asbund (Marion and surrounding counties). My brother in North Georgia has it and when I go up there again I will look up all about the DeWitt family if I can find it.

I feel sure if the DeWitt's were once the citizens of Darlington County, S. C. you and your family would also be entitled to the honors of being connected with the revolutionary (settlers or war).

When you again visit Savannah I would be so glad to see you and talk with you. I live at 541 E. 59th St.

With kind regards, I am,

Very sincerely,

Lizzie E. Sessoms
Mrs. L. E. Sessoms.
