My father Granville Mc Kenzie gave me this information  
which I'm sure you may need to correct some of it.

His mind was remarkably clear even until his death at 93.

My grandfather was no. 7, Alexander Mc Kenzie.

His son was Granville Aaron Mc Kenzie who is my father.

Marie (Mc Kenzie) Rehrig.

We aren't sure who the father of these <sup>7</sup> children are — it could have been Morrison McKinzy — a stowaway from Ireland.

All the McKenzies who ever lived in McMain & Meigs Counties and their descendants were all from the first three brothers, Alexander, Francis and William.

Alex and Bill both married N. Carolina girls and their first children were born in N. Carolina.

Francis M's wife was a Tenn. girl & all their children were born in Tenn.

The 1880 Census says the father of these boys was born in Ireland and their mother in North Carolina.
