

Dear Robert,

Well, the book I ordered from the publisher in England finally arrived, and, as you forewarned me, it is difficult to read and not very useful for genealogical purposes. I was quite surprised, however, to find the name MILLOM in my volume, and am wondering whether it might be an old spelling of MILAM. What do you think? Have you and Miss Carr ever run across any references to the Miloms' having origi-

inated in Cheshire? I will be eager to hear what you have to say about this matter.
