Dear Dr. Peoples:

I have a copy of The South Carolina Historical Magazine, dated October 1965, in which is your article "A Miles Genealogy - A family of South Carolina Planters." I found this very interesting and would love to buy a copy of your continuation. Do you know where a copy is available? This is the beginning of my Miles family.

I had a letter from Patton Wash of the S.C. Historical Society suggesting that I write you about this continuation.

My grandfather was Wilbur Fiske Miles ~~and~~ and his father was William Wiley Miles. Both of them lived in Fayette County Alabama and both are buried in Mt. Vernon Cemetery near Fayette, Alabama.

I am very eager to get a copy of your continuation, and any other information about this Miles family to hand down to younger members of my family.

Any information you can send me will be greatly appreciated and I'll be happy to send you payment for it.

Looking forward to a reply to this, I am,

Very sincerely,
