

November 16th

Dear Bob -

Only wish we could
accept for Thanksgiving
day, but we have a
dinner-dance that even-
ing for a delinquent daugh-
ter of a family friend -
Ultimately, I'd love the
family gathering -
Sorry you won't be

able to make it town - the
people promise to be fun - much
more so than the houses, etc.

However, we will get together
in the near future - d. v. Lewis
is going to work on our book
Love to Cora and yourself
