Dear Rev. Peeples:

I have just finished reading the Miles Genealogy published in The South Carolina Historical Magazine January 1966. I am interested in the Day Family which is mentioned.

One William Day, born 1754, was my great-great-grandfather. Some members of my family think that he might have married three times. Also that his first or second wife's name was Frances Lang. It is possible that Elizabeth was his first wife and Frances was the second wife. Too they are not sure how many children William had.

Do you think Dr. Louis Smith Miles would share the Bible data with me?

What would be your charge to copy this for me if you live near enough to him so you could do this?

I will appreciate hearing from you. Enclosed is a stamped envelope for a reply.

Sincerely,

*Alice M. Lee*
