

Sunday pm -

Dear Bob -

Your chairs were ready Christmas week while I was at home as I suspected
So will pick them up my next trip that way and get them to you - Since you
say they haven't been touched with red much - Will be next weekend on the next -
Hope they'll suit you - I checked by and they look ok, I think -

Been busy since getting back and have had little time to trade cars but
must do something soon for my tires are worn badly - Almost bought a 1965
Mercury - An Executive Div. car with 12,000 miles & new tires - air, power steering &
brakes, AM-FM radio, trailer hitch and the works - \$16000 as orig. price - for my car & 1800
but we were sales tax & 114.00 a gas and trucker gone in 50 - would have had
12,000 mi. or a years warranty left & I would have liked it but couldn't go
that higher - Amazon will get a new Ford in Chev. with all this except the power
brakes - He want a larger car otherwise would get new tires & forget it -

Called with Margie yesterday from the office and she seemed all in
good spirits - Hope you were not too extended from the many preparations for
her little surgery that's no trouble at all - Don't know what we'd have done
without you & Tom - Thank you both & thank you too for the Christmas gifts
stack & book - Have enjoyed the book and would love a trip to England &
Scotland had with the prospects of financing a car gone that's all this year -
He want to take Margie to orange - and on a trip of sorts here -

Will be by your place this Sat on the next - Hope you both are well -

Love -
Randy
