

March 12, 1982.

Dear Robert,

I'm so sorry, but there's an error in my last letter to you.

It was Martha Wayles, not Martha Eppes (her mother) who married Thomas Jefferson. Martha Eppes was the sister of my Sarah Eppes who m. my Major William Fitzgerald, Jr.

Through my Eppes, Jones, Fitzgeralds & their wives I'm also related to the Lees, Randolphs & Tylers; and through my NC. Brevards and Davidsons, Senator Richard Russell and the Adlai Stevensons "are" my Cousins. I also have Monroe Cousins who are related to Pres. Monroe.

I don't usually play this "game". Harry Brown, Board Chairman of The Reserve Fund (where I keep my money) is a Lee.

Incidentally, Lady Edward Montagu told me,
a person calling herself "Lady Mary Montagu" visited
Charleston and Richmond — and, that there is no
Lady Mary Montagu!
