Dear Dr. Peeples,

I cannot believe that you actually sent me Miss Florrie's Reynolds' File! Thank you for trusting me with it. I have found so many interesting letters and newspaper clippings. Maybe there was nothing earth-shaking in all of this, but it certainly serves to confirm some things we already knew.

Do I have your permission to use any of the information in our Reynolds book? It is always good to have other sources to cite.

Needless to say, I will take VERY good care of this file, and when I am through with it, will return it to you. Maybe by registered mail, or at least will insure it!

Thank you again, and I hope I will be able to return the favor sometime.

Most Sincerely,

*Mary K. Reynolds*
