My Dear Cousin:

Thank you so much for your card, I imagine you have received information, but am sure very deep.

Hope you follow up the printing of your facts as I am quite anxious to receive a copy of same.

Last I got "lost in the shuffle" I am enclosing dollar bill to cover mailing etc, and cost, and if this is not enough, kindly let me know and I will send additional.

If you ever get any authentic information as to where the Photos came from substantiated, I should like to have it - also authentic information on Rhodes credit of arms

Thanking you

Yours  
Paul M. Kelly
