Dear Cousin Florence:-

I was very glad to receive your letter and especially the items on Lawton genealogy that you sent.

I was most glad to have the copy of the newspaper clipping about the marriage of my great great grandmother Sarah Thirza Lawton.

Thanks for all of them.

I'm sorry you and your sisters had had such a time with the flu, but glad you are better.

I have escaped so far, I am thankful to say.

I am very busy in school of course, but I have succeeded in having these copies made of Black Swamp Church in Robertville. Its floor plan and the notes my father made from memory about the church.

My great great grandparents were probably married in the original Black Swamp church five miles or more from Robertville. The old cemetery is still there. Many Sawlows and Polhills are buried there.

Am so glad Cousin T. O. Sawton Sr. had stood his operation so well.

And I was so happy too to learn of the birth of T. O. Sawton III.

Happy Christmas to all of you  
Lily Stafford
