I will try to send you information that is not too confusing on the screen connecting connections.

Thank you again for your offer of help and I am anxious to get the information to you.

I hope you, Mrs Peeples and your family will enjoy "The Thanksgiving Holiday".

Dear Dr. Peeples:

I appreciated you sending "The Family Circle" to Mr. James Screven in Birmingham. I am sure he was happy to receive it.

I enjoyed your story of "Dilton

you have Lynch, Robert as well
as seven information - I appreciate
your offer to help me.

I will have to wait until after
the Holiday season before I can get
