Dear Robert,

Here I come again - On p. 374 of Our
Family Circle is listed Sarah Lawton m.
Samuel Clark (with e is ⁱⁿ correct). Samuel's great
half aunt Margaret Clark m. Peter Reddick
about 1806. He was an uncle, way back,
Margaret dau. of John Clark 1748-1822 +
Sarah Tobler. John m. (2) Ann Zubly, many
of these people buried in Clark-Zubly cemetery
at Beech Island. a lovely spot.

Do you know of anyone who has data
on these early Clarks? Tom Lawton says
none of these in Estill know anything about
this line. Maybe someone has some stray
Reddick data in their Clark material.
Many thanks and I look forward to
hearing from you. I stamped envelope enclosed.

All the best,
James Reddick

Published a handsome book on my
mother's ancestry. Plan to do same
on paternal side, which is practically
complete, including 40 photographs of
ancestors + relatives.
