Dear Dr. Peoples,

Perhaps I have said this to you before so forgive me if I am repeating myself.

Our family historian was Eleanor Blackwood Marshall (my mother's first cousin). She died last year. So I am somewhat at a loss as to how to go about answering Mary Brady's questions. I only know that Dr. Stafford's book, Three Pioneer Rapides Families is highly regarded in Louisiana.

A distant relative, Charles Crawford, of Lafayette, La. recently called me (and asked for your address) and said that he would send me a copy of Dr. Stafford's book. This Charles Crawford owns property in Woodville, Mississippi and is interested in documenting the grave site of Capt. Peter Robert.

I plan to send Mary Brady the documentations that

I do have. And my son is going to Louisiana next  
week for information from the Court House: Avoyelles Parish.  
(also for Mardi Gras.)

Please let me know how I can help her  
acknowledge Dr Stafford as a legitimate authority.

I did try to locate your cousin Eugenia Laffitte Anderson  
through the Agriculture department - <sup>NCSU</sup> I was asked if her husband's  
Name was Donald? or Charles? or John? or Kenneth? These were  
all professors of Agriculture. That is as far as I got.

Looking forward to meeting you all. Even my youngest  
brother from Eliz. City is planning to be in Charleston Area  
3rd Weekend - June. We have our Fair share week on Edisto  
Island June 12-19 reserved.

Best Wishes, Love and appreciation

Carmen
