Dear Cousin -

Thank you so much for sending the copy of your letter from Cousin Robert. Isn't it exciting to find new Ancestors? We must give up some. Enclosed is information from a publication from England that shows the Carriere did stop there.

I have my certificate from the T. Families of S.C. Enclosed is a brochure. Cousin Robert said he would co-sponsor you and the Soc. has asked me

to nominate our Robert Cousins.

The enclosed clipping will tell you what I have been doing besides wrapping up the Festival and getting the new Chairman under way.

I have played lots of tennis and my serve has improved due to practice. We win most of our matches.

Love to all. Come this way and I will take you to lunch. or ??

Fondly,

Crystelle W.

P.S. Kenneth & Fred send regards.
